Dear Mr Walter

Carol Booth v Richard and Antje Yardley Planning and Environment Court Application BD 2845/2006

Please find **enclosed** a sealed copy of the orders made by His Honour Judge Wilson SC, DCJ on 8 February 2008. A copy of the accompanying judgement has been emailed to you by the Judge's Associate, and is also available at <http://www.sclqld.org.au/qjudgment/2008/QPEC/+000>.

The orders require Mr and Mrs Yardley to dismantle their electric grids by 31 March 2008, by pulling down and taking apart the horizontal wires and metal poles. It is not sufficient to disconnect the grids from electricity supply.

Rule 665(3) of the *Uniform Civil Procedure Rules* requires us to inform you that if Mr and Mrs Yardley do not obey the order within the time specified, they will be liable to court proceedings to compel them to obey it and punishment for contempt.

Please inform us in writing by 31 March 2008 that Mr and Mrs Yardley have dismantled their grids in the manner required by the order.

If you have any queries about this matter, please do not hesitate to contact me.

Please note that the Environmental Defenders Office (Qld) Inc has changed address. Please send all postal materials to 30 Hardgrave Rd, West End, Queensland 4101. Our phone, fax and email details remain the same.

Yours faithfully
